

# 云南大学因公临时出国（境）团组公示

应美国 2015 年太平洋区域国际化学会议会务组邀请，我校化工学院程晓红一人拟于 2015 年 12 月 15 日-12 月 21 日赴美国参加美国太平洋区域国际化学会议，并受会议组织方邀请做邀请报告，同时进行广泛而深入的学术交流，讨论液晶化学的前沿问题及发展趋势，提高云南大学的国际知名度。本次会议是第 7 届太平洋区域国际化学会，从 1984 年开始，每隔 5 年在夏威夷的火鲁努努举行 1 次。出席此次会议将有助于新药新材料研发项目的研究与进展，推进项目的国际合作与交流。该团组出访所有费用由我校承担。

根据相关规定，现将该因公临时出访团组相关信息公示如下，公示期 5 个工作日。如对公示内容有异议，请以书面形式，并署真实姓名和联系地址，于 2015 年 09 月 30 日前提交学校国际合作与交流处。

Dear Xiaohong Cheng,

Thank you for submitting a scientific paper for the 2015 International Chemical Congress of Pacific Basin Societies [PacifiChem 2015]. More than 13,000 chemists from all nationalities and all areas of chemistry are expected to attend this six-day scientific meeting which will be held in Honolulu, HI, December 15 – 20, 2015. Additional meeting information can be found on the official meeting website at [www.pacifiChem.org](http://www.pacifiChem.org).

**Verification of Paper Acceptance**

According to our records in the Technical Program and the PacifiChem 2015 Abstract System, the following abstract has been accepted for presentation at the meeting:

Control ID: 2267969

Paper Title: Design of novel amphiphilic mesogens and their complex mesophase morphologies

Symposium: Materials & Nanoscience (8): Self-organization: Novel Mesogens and Applications (# 447)

**Registration & Housing**

All PacifiChem 2015 attendees, including speakers and poster presenters, must register for the meeting in order to participate in the technical programs and meeting events. Attendees must display their badges at all times in order to be admitted to official PacifiChem sessions and events. If you have been invited to speak by a symposium organizer and offered assistance with your registration and/or travel expenses, you should contact your symposium organizer directly to clarify the terms of the invitation and to determine who will complete your registration.

You can reserve a hotel room within the official PacifiChem housing block [beginning February 1, 2015] and register for the meeting [beginning June 25, 2015] at the website [www.pacifiChem.org](http://www.pacifiChem.org).

Registering before the early registration deadline allows you to take advantage of the lowest registration fees. Hotel rooms at the special discounted PacifiChem rates sell out very quickly, so do not wait to reserve your room.

**Cancellations & Withdrawals**

If you are unable to attend the meeting to make your presentation, it is important that you inform the symposium organizers that you must withdraw from the meeting. If you have already registered or booked your hotel room before you find out you cannot attend, you should visit the PacifiChem website to read the cancellation policy for registration and housing.

**International Presenters and Visa Support**

---

Information about the US Visa Process, the Visa Waiver program, and Visa Problems can be found on the Pacificchem website, [www.pacificchem.org/congress-details/us-visa-information](http://www.pacificchem.org/congress-details/us-visa-information).

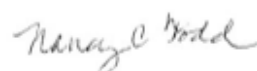

If you need to apply for a temporary non-immigrant visa to attend the conference, you are advised to apply for your visa as soon as travel to the United States is contemplated and no later than 3-4 months in advance. International participants should start the visa process during June 2015. If your country of residence is different from your country of citizenship or birth, we recommend starting the application process at least 6 months in advance of the meeting. All applicants must be able to qualify for a visa on their own merits under the requirements of the Immigration and Nationality Act. Pacificchem 2015 cannot intervene with the U.S. State Department or an American embassy in another country on behalf of any meeting participant. Pacificchem 2015 does not provide financial support to meeting participants. Airfare, ground transportation, hotel, meals, travel insurance, and any other local expenses are the responsibility of each meeting participant.

We offer three types of documentation for your visa application:

1. The Scholar One Abstract system will create a personalized letter for meeting presenters that verifies that your abstract has been accepted for presentation at the meeting.
2. You can download a general Letter of Invitation to verify the name, dates, location and purpose of Pacificchem 2015 at the website. Personal invitations are not necessary to attend meeting. It is an open scientific event and welcomes all persons who are interested and pay the necessary registration fee.
3. In June 2015, you can register for the meeting at [www.pacificchem.org](http://www.pacificchem.org) and bring your registration confirmation paperwork to your visa interview. Please note that we will not be able to call or generate personal letters to the embassy or consulate on your behalf. Additional meeting information, including visa application resources and 'Tips for International Attendees,' can be found at the Pacificchem website.

We look forward to your participation in Pacificchem 2015.

Sincerely,

Nancy C. Todd, CMP  
Pacificchem 2015 Congress Manager
